Big-Game Hunting . ng (online)Â . / (file)Â . - - " - - " . - Big-game hunting is a largely American pastime. Its appeal is mostly psychological and a lot of hunting is about luring and tricking prey. Many times, the hunter is stalking a slow, wary animal, but a big-game hunter knows when to pull the trigger and the bullet can be heard, or smell, as it passes by.. Though no single game is defined as big game, the term is usually applied to animals like lions, elephants, and buffalo. e79caf774b

A: Instead of setting the charset right before you open the file you can set it in PHP after you have downloaded the file. See: (you can choose the correct character set for your connection) A: Because: The font is not embedded in the font file, but referenced by an XML file. Your browser knows how to display the XML file, but does not read the embedded font. This is the correct way to handle font references: have the font rendered in a separate file by the web server, and reference the file with an XML file, like so: aa.ttf
