---

map, the map is oversize. I have uploaded a screenshot with the same. I have successfully removed the extra height from my html but I also need to remove the extra space on top and bottom of the map. I have tried using padding-top: 20px; for top and padding-bottom: 20px; for bottom but they don't remove the space on the map. What would be the ideal way to remove the space on top and bottom? The link for the screenshot is here [A: make your div](#) and then so you can remove padding and margin once its in the div
